### **ABOUT SUSAN B. ANTHONY PROJECT:**

Susan B. Anthony Project works tirelessly to prevent the spread of interpersonal violence in our community. Founded in 1983, SBAP is a nonprofit 501(c)(3) that provides domestic violence and sexual assault crisis services and prevention education to the women, men and children in twenty towns in the northwest corner of CT. All services are confidential and completely free of charge. Last year, SBAP provided:

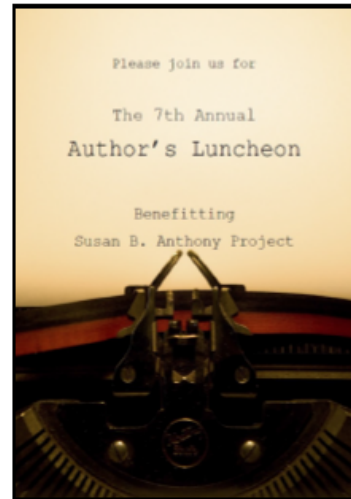

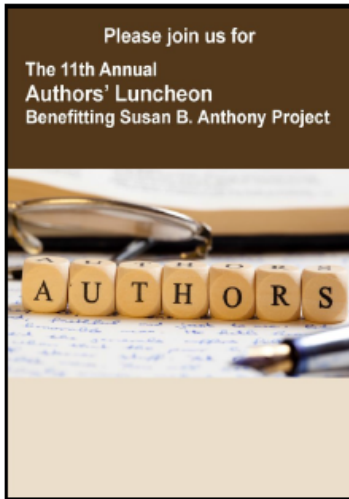

- Emergency shelter and transitional housing for 83 adults and 55 children
- Response to 2,343 requests for crisis intervention
- Advocacy in court for an average of 134 new victims of domestic violence every month
- Community education and prevention programs to 5,603 children & teens
