## **Wreath Friend Information**

***Thank you for being a Wreath Friend. Your help can make a significant difference:***

*If each Wreath Friend sells at least 25 wreath products,  
MINIMALLY you will have raised \$500 in support of victims!*

**We will be using the curbside pick-up procedure again this year to ensure everyone's continued safety.**

### **Start Date**

You can start selling all wreath products ASAP.

### **Orders**

Please fax or e-mail all wreath orders (forms enclosed) to SBAP no later than **November 1<sup>st</sup>**. We will need to submit our final order by then to allow ample time for production.

### **Materials**

Enclosed are multiple copies of individual and bulk order forms. **Individual order forms** should be used for multiple, smaller orders with several buyers, like family members or colleagues. **Bulk order forms** may be used for large orders from one buyer, such as a business owner. Be sure to complete all order forms in full with name, address, phone, and product selections. Please make additional copies for your wreath sales should you need more!

### **Pick Up**

Pick up for all wreath products will be on **Saturday, November 19<sup>th</sup>** at the SBAP office (179 Water Street, Torrington) from 9 AM – 12 PM.

**\*\*NOTE:** When you arrive for pick up, please come into the Susan B. Anthony Project parking lot where a volunteer will confirm your order with you, make any necessary changes or additions, and collect any payments. A team of volunteers will then take your order card and load your wreath products into your vehicle.

If you are dropping off wreath money that day, we ask that it is put into an envelope and sealed. Please write your name and the organization you sold to (if applicable) on the outside of the

envelope. We will not be handling money at the pick-up. If you prefer, you can also pay online ahead of time or send checks by mail.

**Bows**

Each wreath comes with a red bow. However, we encourage you to confirm if your buyers would like a bow with their order. **People frequently prefer not to take a bow and having this information ahead of time will help us cut down on costs.** Please use the column on the order form to indicate if bows are wanted. Large orders of bows will be pre-bagged.

**Extra Product**

If you need more product than you originally ordered, please call the office. Denise will be able to tell you if it's still possible to order more or if we have extra product to cover your additional order.

**Money**

Please be prepared to **turn in all money to the office by Friday, December 9th.**

**Thank you & Good Luck!** If you have any questions, please do not hesitate to call Denise at 860-489-3798, ext. 301. You can also reach her by e-mail at [dtorson@sbaproject.org](mailto:dtorson@sbaproject.org) or by fax at 860-482-6268.
